# MONEY?

Loan-  
borrowing money  
that you will pay  
back

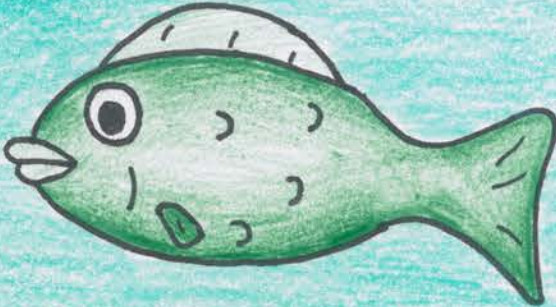

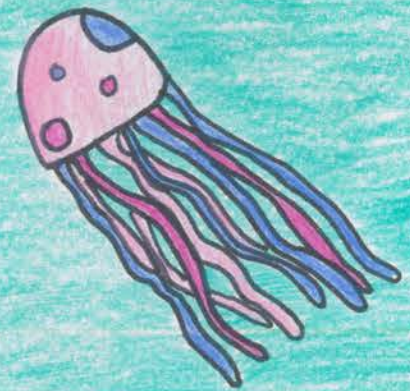

You need money  
to pay bills, buy  
the things you need,  
and lots of  
other things.

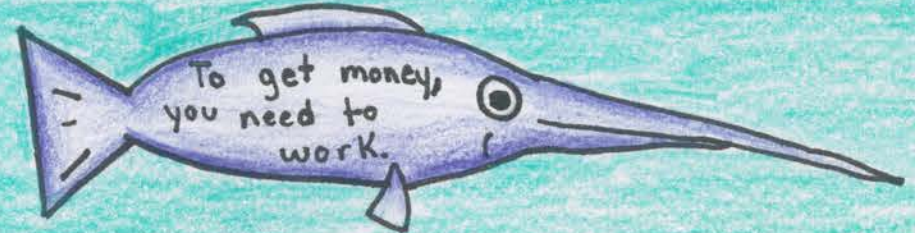

Investing-  
finding a way to  
make your money  
grow, like saving  
it in a bank  
with interest

Budget-  
planning  
ahead what  
you'll do with  
your money,  
like with  
bills or  
groceries

Debt-  
money that one  
person needs to  
pay another  
person

To get money,  
you need to  
work.

Withdraw-  
take money  
out of your  
account  
from a bank
